To Whom It May Concern,

RE: ATMAS PTE LTD

It is our pleasure to write a letter of recommendation for ATMAS Pte Ltd. Since 2015, ATMAS was entrusted to perform a complete overhauling of TWO (2) units of Gas Turbine Frame 6B GCV/SRV by Young & Franklin for Teluk Salut Power Station. We have been always been satisfied with the services provided by ATMAS Pte Ltd.

ATMAS has deliver the highest quality services in a very professional manner. All repairs and testing are performed as per OEM quality standards and procedures.

We would like to thank ATMAS customer service personnel for the excellent service support with the commitment in delivering reliable, timely, highly responsive and helpful. Your customer service is refreshingly excellent. Such professionalism is rare nowadays.

We intend to continue our relationship with ATMAS in near future and others can expect the same quality services as what we have experienced.

Thank you.

Yours faithfully
For and on behalf of
TELUK SALUT POWER STATION
